

Preserve your priceless slides and negatives into digital format. Real Image will digitize, archive and organize it all for you.

As part of this service Real Image will:

- * Scan in your slides and/or negatives at 2,400 dpi.
- * Add descriptive file names for each photo.
- * Provide you with a professional archival-quality CD or DVD of your digitized photos in a jewel case.
- * Provide you with a catalog listing of the contents of your CD or DVD.
- * Label your DVD, according to your own instructions.
- * For an added fee, Real Image will also do color correction, dust and scratch removal, and bring out detail in shadows. [Contact us](#) for this special service.

Pricing: 35 cents per slide and/or negative
